FACILITIES

In our Pavillon you will find welcoming, naturally lit rooms in a tasteful design and well-appointed with all modern technical equipment. As the rooms are located directly next to our hotel park, this gives you the opportunity of outdoor breaks. Thanks to the partition walls the rooms are very flexible and can be adjusted to the desired size.

In earlier days the “**Gerichtsäli**” was the courtroom of the Bernese Oberland where the less obedient citizens would receive their sentences. Today the room still exudes a special charm but now is the perfect setting for smaller meetings.

In the “**Rokoko Saal**” you will find a lot of historical flair. Walls and ceiling are decorated with floral ornaments and you will feel the charm of ancient times. This room is mostly used for banquets but can easily also be set up for meetings.
